Judge Julie E. Frantz  
Multnomah County Courthouse  
1021 SW Fourth Avenue  
Portland, Oregon 97204

Dear Judge Frantz,

SUBJECT: NO RESPONSE TO MOTION FILINGS

I am writing you to check on the status of three Motions I have sent to your court over the past seven months. I have not yet received any reply.

On February 5 2002, I mailed a Motion to Compel Attorney to Turn over Client files along with the Order for your signature, and Certificate of Service to your court clerk to be docket. Ref. [Bradley L. Berg vs. State Of Oregon, Case #'s 00-10-38046, 00-12-39515, 00-12-39676].

When I had not received a response to my filing as of the first week of April, I sent a letter to your clerk to inquire on the status of the Motion. I also included another copy of the to help clarify my inquiry. I never received a reply.

Not being discouraged by this lack of response, coupled with my ignorance of the legal process and the timelines therein, I mailed two more Motions.

On April 12 of 2002, I sent to your court a Motion for Requesting Amended Judgement and Motion for Appointment of Counsel and Production of transcript at the States Expense, along with my Affidavit. Ref. [Bradley L. Berg vs. State of Oregon Case #'s 00-07-35902, 00-12-39676, 00-12-39515, 00-10-38046]. As with the other mailings, there has not been a reply from your court.

I am hopeful that you will be able to help me resolve these issues so that I may get my motions heard. I would appreciate any input you might have as well so I might avoid such delays in the future.

Sincerely,

Mr. Bradley L. Berg

Re: State of Oregon V. Bradley Berg  
00-07-35902

Dear Property Room Ofc.

I am writing to repond to you Jan. 13th letter. I am concerned over the disposition of my property. I agree that some property which was not mine was returned to thier rightful owners from my residence on July 20th, 2000. However, as part of the Plea agreement reached in this case, the remaining property was to be returned to me. This decision was reached because this was my own property taken from my home, and not associated with any criminal acts, or charges. Not to mention that the items seized were not covered on the GPD search warrant.

Under ORS 192.410 - Oregon public records law, you are obligated to disclose the information I had requested in my previous letter. Secondly, under ORS 142.010 -Official Custody- Oregon law requires that Peace officers **hold** property subject to the order of the magistrate or court. It would appear that you have violated this statute by not returning this property as appearantly ordered by the judge.

Could you give me the names of the Property Room manager, his/her supervisor, and the Property manager who presided at the time of my case, if it's not the same person, for litigation purposes. Thank you.

18. That the within Affidavit sufficiently establishes that I am "the lawful owner" of the property listed herein.

Dear Mr. Berg:

I am responding to your letter and motion for return of property sent to Multnomah County Circuit Court. The District Attorney's Office typically addresses issues relating to return of property.

I contacted the property room at the Gresham Police Department regarding the property held in the above captioned case. They have informed that the property has already been released. Therefore, there is no additional action that can be taken in this matter. Thank you.

Very truly yours,

Re: Public Records Requests

Dear Mr. Berg:

This letter is in response to your January 20 public records requests for records relating to Multnomah County Circuit Court Case Nos. 0007-35902, 0012-39515, and 0012-39676. Specifically, you requested copies of the following documents. I apologize for the delay in our response. A good deal of archive research was necessary to determine the availability of any records.

- A list of property not identified as stolen property, the date on which the remaining property was sold, proceeds from the sale, and a copy of a court order for "official custody" for yourself.

Response: The city does not have any documents responsive to this request. However, part of the police reports for the three court cases you identified does contain "Property in Custody" reports that list various items that were held by the Gresham Police Department's Property/Evidence section. The property consists of property taken into custody pursuant to search warrants and evidence prepared by various police officers involved in the investigation of the crimes with which you were charged. The city charges \$5 for each report up to eight pages, plus \$1 per page thereafter. These reports are available, and the cost to obtain copies is \$196.

- The date(s) on which the remaining property was sold.

Response: The Property in Custody reports mentioned above include information about property being returned to the property owners. The reports also reflect the date on which the remaining property was destroyed.

Bradley Berg  
March 16, 2005  
Page 2

There are no records relating to the sale of any property held by the Gresham Police Department.

- Information on the proceeds from the sale.

Response: The city does not have any documents responsive to this request.

- A copy of the Court's Order (Judge Frantz or Magistrate) for your "Official Custody."

Response: The city does not have any documents responsive to this request. You should contact the court and/or the Multnomah County District Attorney's Office to secure documents responsive to this request. If you were represented by counsel in these cases, he or she should also have copies of the court documents you seek.

If you wish to obtain copies of the available records noted above, please send a check in the amount of \$196, payable to the City of Gresham, directly to my attention. Advance payment is required. Upon receipt of payment, the records will then be mailed to you.

Thank you.

Very truly yours,

**Dear Mr. Berg,**

**This letter is in response to your request for property disposition on three Gresham Police cases from 2000. Since you refer to District Attorney case numbers, I had to locate the police case numbers.**

**Your 3 cases 00-3531, 00-15878, and 00-16298 all deal with search warrants and recovered property. The property, in all three of these cases, was released to the rightful owners at that time. The Multnomah County District Attorney's office closed these cases in August 2001. The Gresham Police department destroyed the property in July of 2002.**

**The two addresses we had for you at that time were 1422 NE 160<sup>th</sup> Av, Portland, and 16601 SE Morrison St, Portland, OR.**

**If you have further questions regarding your property, please contact our Property Department or the Multnomah County District Attorney's Office.**
